Tanıtım Videosu
Introductory Video

1995 yılında kurulan Mega Yapı Ürünleri San. Ve Tic. Ltd. Şti , sıhhi tesisat ve banyo malzemeleri sektöründe 29 yıllık deneyimiyle sektörün önde gelen güvenilir firmalarından biri olmuştur. Kuruluşumuzdan bu yana kalite ve müşteri memnuniyeti odaklı çalışma prensibimizle, sektörde güvenilir ve yenilikçi çözümler sunmayı hedefledik.

“Daima En İyisi” sloganımız doğrultusunda, güçlü Ar-Ge ve mühendislik ekibimizle teknolojiye ve sektörel trendlere öncülük etmekteyiz. Yenilikçi yaklaşımlarımız sayesinde, her geçen gün ürün yelpazemizi geliştiriyor ve müşterilerimize üstün performanslı, dayanıklı ve estetik çözümler sunuyoruz.

Yetenekli mühendis ve uzmanlardan oluşan ekibimiz, sektördeki en son teknolojileri yakından takip ederek, müşteri ihtiyaçlarına yönelik inovatif ürünler geliştiriyor. Ürünlerimiz, yüksek kalite standartlarına uygun olarak tasarlanmakta ve uzun ömürlü çözümler sunmaktadır.

Müşterilerimize, ihtiyaçlarına uygun, güvenilir ve kaliteli sıhhi tesisat ve banyo malzemeleri sunmak, sektörde kalıcı ve sürdürülebilir çözümler üreterek global pazarda da rekabet edebilecek yenilikçi ürünler ile sektöründe iddialı firma konumunu sürdürmek amacımızdır.

Mega Yapı Ürünleri San. Ve Tic. Ltd. Şti, founded in 1995, has become one of the leading and reliable companies in the sanitaryware and bathroom materials sector with 29 years of experience. Since our establishment, we have aimed to offer trustworthy and innovative solutions with a working principle focused on quality and customer satisfaction.

In line with our slogan “Always the Best,” we lead technology and industry trends with our strong R&D and engineering team. Thanks to our innovative approaches, we continuously expand our product range and offer high-performance, durable, and aesthetic solutions to our customers.

Our team, consisting of talented engineers and experts, closely follows the latest technologies in the sector and develops innovative products tailored to customer needs. Our products are designed according to high-quality standards and offer long-lasting solutions.

Our aim is to provide suitable, reliable and high-quality sanitary ware and bathroom materials for our products, and to maintain our ambitious company durability in the sector with durable products that can compete in the global market by producing high-quality, durable and sustainable solutions.

- Asma klozetler ile kullanıma uygundur.
- Çift kademeli yıkama sistemi bulunmaktadır, 3/6 L kullanıma ayarlıdır.
- Min. 80 mm kalınlığındaki duvar içi uygulamalarında kullanılabilir
- Birbiri ile uyumlu paneller
- Alçıpan ve tuğla duvarlara uygulanır
- Korozyona dirençli elektrostatik Boya
- TS EN 997 standardına uygun gövde yapısı
- 9 Litre su kapasiteli ekstra güçlendirilmiş sağlam yapılı tank
- Isı değişimlerine ve darbelere karşı koruma sağlayan strafor kaplama

- Suitable for use with wall-hung toilets
- Has a dual-stage flushing system
- Adjusted for 3/6 liter use
- Used in wall applications with a minimum thickness of 80 mm
- Panels compatible with each other
- Applied to drywall and brick walls
- Electrostatic paint against corrosion
- Body structure in accordance with TS EN 997 standards
- Extra reinforced solid structured tank with 9 liter water capacity
- Styrofoam cover that provides protection against heat changes and impacts
